2021-2022 INSIDE HUDSON VALLEY ATHLETICS FUNDRAISING

THANK YOU! FROM THE VIKINGS

The mission of the Vikings Athletic Fund is to provide the necessary resources for Hudson Valley's 350-plus student-athletes to pursue excellence in the classroom, in competitive and build upon the foundation that is provided from a two-year degree from Hudson Valley Community College.

As the fundraising arm of Hudson Valley Athletics, we strive to provide the opportunity to create a broad base of philanthropy from alumni, corporate partners and our close friends and family members of our student-athletes.

Support of the Vikings Athletic Fund ensures the ongoing success and continued tradition of excellence for Hudson Valley Community College and the department of athletics.

Your support is crucial in assisting the department of athletics and its coaching staffs to provide the best possible services, equipment, game and practice uniforms, travel suits, backpacks and more for our student-athletes as they work hard to maintain academic and athletic success, while setting themselves up to succeed in the future by enrolling at a four-year institution to continue their athletic and academic careers or as they enter the real-world work force with a degree from the Hudson Valley with the highest 5-year post-grad employment rate among New York State Community Colleges.

No matter how you choose to support Hudson Valley Community College and the department of athletics, please know that we sincerely appreciate your support as we all strive to give our student-athletes the best experiences with long lasting memories during their time as a Viking.

Sincerely,
